

Endoscopic retrograde cholangiopancreatography (ERCP)

Bharat Paranandi

Endoscopic retrograde cholangiopancreatography (ERCP)

Online Course

Endoscopy

Hepatobiliary

October 1, 2019

An online educational course provides expert guidance on level 1–2 ERCP procedures for beginners in the early stages of ERCP training.

KEY POINTS

- The course covers how to approach level 1–2 ERCPs, which are the least difficult and complex procedures.
- Content includes scope design, indications and contraindications, ERCP categories, patient information and consent, sedation, the ERCP technique, complications, and post-ERCP care.
- Learning objectives focus on understanding communication and consent, basic ERCP skills, different ERCP categories, and awareness of indications, contraindications, and complications.
- The course was reviewed and updated in April 2024 and is taught by Fahd Rana, Bharat Paranandi, and Matthew Huggett.
